Things look like they might be starting to turn around for thirty-odd year old no-hoper Hugo, when he finds a robot in his house on his birthday. But, as he soon discovers, this is no birthday present (no one seems to have remembered to get him anything!), but the handiwork of his cousin, an engineer in the French army, who realized that the robot he had been building was designed to destroy humanity. Forced to hide out with Hugo, Roger – as he decides to call himself – must learn to live with humans... No mean feat!

Il n'a rien d'un prince charmant... Callum Griffin est l'héritier de la mafia irlandaise. Il est impitoyable, arrogant, et il veut me tuer. Nous sommes partis du mauvais pied, tous les deux, quand j'ai allumé un (tout petit) feu dans sa maison. Nos familles estiment qu'un pacte nuptial est le seul moyen d'empêcher une guerre ouverte. Je crois que je vais devoir l'assassiner dans son sommeil. Ce serait bien plus facile si Callum n'était pas aussi beau. Mais je protège mon cœur dans une boîte fermée à double tour. Parce que même si je suis forcée de l'épouser... Je ne pourrais jamais aimer un prince cruel. \* \* \* Un prince cruel est le premier acte explosif de la saga épique Le sang en héritage. C'est une romance dark sur fond de mafia avec une fin heureuse, qui peut se lire indépendamment des autres tomes et ne se termine pas sur un suspense.

Now a Netflix original movie starring Millie Bobby Brown, Henry Cavill, and Helena Bonham Carter! Meet Enola Holmes, teenaged girl turned detective and the younger sister to Sherlock Holmes. But nothing can prepare her for what awaits. Because when she arrives, she finds herself involved in the kidnapping of a young marquess, fleeing murderous villains, and trying to elude her shrewd older brothers—all while attempting to piece together clues to her mother's strange disappearance. Amid all the mayhem, will Enola be able to decode the necessary clues and find her mother?

Bart turns the force into a farce in 'Bart Cops Out'; rules the airwaves in 'K-Bart'; turns prose into amateurs in 'The Book That Ate Springfield'; daydreams in 'The Secret Life of Bart Simpson'; goes off the rails in 'The Great Train Wreck'; and shops til he drops in 'Spree For All'.

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

From perennial bestseller Jenny Colgan comes this sugar-fueled Christmas treat of a novel, bursting with recipes and holiday cheer. Life is sweet for Issy Randall, owner of the Cupcake Café. Taught how to bake by her beloved late grandfather, she is proudly carrying on the family tradition with her London eatery. Not only is business thriving, the icing on the cupcake is that she also happens to be head over heels in love. Plus she's surrounded and supported by close friends, even if her cupcake colleagues Pearl and Caroline don't seem quite as upbeat about the upcoming season of snow and merriment. But when her boyfriend Austin is scouted for a possible move to New York, Issy is forced to contemplate the prospect of a long-distance romance. And when the Christmas rush at the café—with its increased demand for her delectable creations—begins to take its toll, Issy has to decide what she holds most dear. This December, Issy will have to rely on all her reserves of calm, courage, and cinnamon to make sure everyone has a merry Christmas, one way or another. . .

It's a truth universally acknowledged that a single woman in possession of a good job, four bossy sisters and a needy cat must also have want of her one true love. Or is it? Another delightful novel from the author of THE LITTLE BOOKSHOP OF LONELY HEARTS. Perfect for fans of Lucy Diamond and Jenny Colgan

'A heartwarming, charming and atmospheric story that made me long to escape to Mure. Total joy' - Sophie Kinsella A deliciously warm and funny slice of life from Jenny Colgan, Sunday Times top ten bestselling author of Summer at the Little Beach Street Bakery and The Little Shop of Happy-Ever-After. Flora is definitely, absolutely sure that escaping from the quiet Scottish island where she grew up to the noise and hustle of the big city was the right choice. What was there for her on Mure? It's a place where everyone has known her all her life, and no one will let her forget the past. In the city, she can be anonymous, ambitious and indulge herself in her hopeless crush on her gorgeous boss, Joel. When a new client demands Flora's presence back on Mure, she's suddenly swept back into life with her brothers (all strapping, loud and seemingly incapable of basic housework) and her father. As Flora indulges her new-found love of cooking and breathes life into the dusty little pink-fronted shop on the harbour, she's also going to have to come to terms with past mistakes - and work out exactly where her future lies... Let Jenny Colgan make your dreams come true!

Combining the emotional deftness of Sarah Dessen with the magical spark of New York City in wintertime, this affecting novel will inspire readers to pay closer attention to the world around them. What does it really mean to be kind . . . and why does it sometimes feel like the hardest thing in the world to do? High school senior Kendall, who just returned from a life-changing semester in Europe, and Max, who is drifting his way through a gap year before college, struggle with these questions when they witness a tragic accident in New York City during the holiday season. Racked with guilt, the two accept a dare to perform random acts of kindness to strangers. The challenge pulls these two teens, who have a history together from back home, closer and closer as they explore a vibrant city filled with other people's stories and secrets. Kendall and Max can't deny their growing bond, even though they both have other romantic entanglements and uncertain futures. As the clock counts down on New Year's Eve, will they find themselves together at midnight? Jennifer Castle's latest novel is a romantic, thought-provoking tale of human connection and how we find—and make—our place in the world.
