*Launching New Ventures: An Entrepreneurial Approach: Allen ...*

Many (if not most) people think of entrepreneurship in terms of launching a new company. In fact, as the subtitle of Joel Peterson's book correctly suggests, entrepreneurship includes "new ventures" that could be a new product or service, of course, as well as a new department, market, policy, or procedure.

The venture drill is the formal process that all entrepreneurs must address when raising money from outside investors. The three steps to the venture drill are packaging, placing, and presenting. Packaging is researching and writing an effective business plan. Placing is skillfully introducing the opportunity before the best investors.
