Traveling through the Deep South in 1950 with Jeremiah Musgrove's Chinese Circus, magician Henry Walker finds himself in deep trouble with three angry white teenagers, while his

friends from the circus describe how Henry received the gift of magic from the devil himself.

Traveling through the Deep South in 1950 with Jeremiah Musgrove's Chinese Circus, magician Henry Walker finds himself in deep trouble with three angry white teenagers, while his friends from the circus describe how Henry received the gift of magic from the devil himself.

Henry Walker was once a world-class magician, performing to sold-out shows in New York. But now he has been reduced to joining Musgrove's Chinese Circus (which at no point in its tour of the deep South has ever included a single Chinese person) as the shambling Negro Magician, whose dark black skin and electric green eyes bewitch most audiences. But one balmy Mississippi night in 1954, Henry disappears in the company of three rowdy white teens and is never seen again. Wallace pieces together Henry's incredible vagabond life – from a deal with a bone-white devil known only as Mr. Sebastian, to the heartrending loss of his sister Hannah – and creates an enchanting tale of love, loss, identity, and the limitation of magic.

Edsel Bronfman works as a junior executive shipping clerk for an importer of Korean flatware. He lives in a seedy neighborhood and spends his free time with his spirited mother. Things happen to other people, and Bronfman knows it. Until, that is, he gets a call from operator 61217 telling him that he's won a free weekend at a beachfront condo in Destin, Florida. But there's a catch: the offer is intended for a couple, and Bronfman has only seventy-nine days to find someone to take with him. The phone call jolts Bronfman into motion, initiating a series of truly extraordinary adventures as he sets out to find a companion for his weekend getaway. Open at last to the possibilities of life, Bronfman now believes that anything can happen. And it does. A large-hearted and optimistic novel, *Extraordinary Adventures* is the latest from the New York Times bestselling Daniel Wallace.

When his attempts to get to know his dying father fail, William Bloom makes up stories that recreate his father's life in heroic proportions. Reprint. Tour.

After the death of his grandfather, Thomas Rider heads for Ashland, Alabama, to uncover the truth about his parents, discovering a bizarre place whose fate is intertwined with that of their watermelon crop as well as the mysteries of his own identity. By the author of *Big Fish*. Reprint.

In a funny, bittersweet new novel by the author of *Big Fish*, Ray Williams looks back on his life from heaven, recalling the confusion, sin, and petty joys that marked his life. Reprint.

When their parents die an untimely death, a blind, naïve younger sister becomes wholly dependent on her bitter and conniving older sister, who overprotectively imparts stories of a brutal and dangerous world until the younger sister makes a surprising choice. By the author of *Big Fish*.

When their parents die an untimely death, a blind, naïve younger sister becomes wholly dependent on her bitter and conniving older sister, who overprotectively imparts stories of a brutal and dangerous world until the younger sister makes a surprising choice. (general fiction).

Nuestra historia empieza en el Sur de los Estados Unidos, en la boyante década de los años 50. La Gran Guerra hace años que terminó, la televisión ha llegado a los hogares y el optimismo se hace dueño de la población. En ese entorno, Henry Walker, quien en una ocasión fue el mago más impresionante del mundo, se pudre poco a poco en un espectáculo de variedades de tercera, el Circo Chino de Jeremiah Mosgrove. Y, sin embargo, Henry es mucho más de lo que aparenta. Cuando Henry, de niño, se encontró con Mr. Sebastian, éste le concedió un deseo que marcaría y condenaría su vida: la capacidad de hacer magia. A partir de ese momento, Henry vivirá atormentado por lo que provocó este don. Su historia esconde todo lo que nos parece irreal: un mago negro que no lo es, una niña inocente que desaparece sin dejar huella ni recuerdo, una mujer que juega con la frontera de la muerte, para ir a ella y volver a su antojo... En un sugerente juego de ilusionismo, Daniel Wallace consigue hacer verosímil la magia, incluso más que la propia realidad, a través de un personaje que nos inspira ternura y nos intriga a partes iguales, héroe y villano, niño y adulto, mago y farsante. ¿Qué hay detrás de Henry Walker?
