~~English Korean~~
A bold, bright and educational bilingual board book - children learn the words for opposites in two languages! This new title in Milet's popular board book series features a one-page spread on each featured opposite. The images are photographs embellished with illustration, so they are fresh and creative but still simple and clear. Text is large and easy to read, and is perfect for learning in ...

~~Book Opposites~~

~~(English-Korean): Milet ...~~

The books in the "My First Bilingual Book (English-Italian)" series have colorful, good quality images, sturdy pages, and the size is relatively small. These are great books for households where both parents don't speak Italian, since they provide the word in both Italian and English.
