In the fall of 1999, I had the great good fortune of moving to a secluded spot in the woods of southern Maine. There, I was to learn truths I might not have had I continued to live just inches from the asphalt in a small city. I would also amass a fount of impressions that would stay with me the rest of my life and that would color all my future days. I spent five years putting pen to all this in a weekly column that appeared in the local newspaper--the *Journal Tribune*. My aim was not so much to tell readers what I'd seen, heard and felt, but more to draw them in and to try to take them on that journey with me. The essays in this humble book are gleanings from those days, and they follow no particular order. My journey has not ended yet, it has simply taken a different path. This is a record of sorts of part of that journey, the remainder of which continues to unfold before me.

Her blog, Skinnytaste is the number one go-to site for slimmed down recipes that you'd swear are anything but. The Skinnytaste Cookbook features 150 amazing recipes: 125 all-new dishes and 25 must-have favorites. As a busy mother of two, Gina started Skinnytaste when she wanted to lose a few pounds herself. She turned to Weight Watchers for help and liked the program but struggled to find enough tempting recipes to help her stay on track. Instead, she started "skinny-fying" her favorite meals so that she could eat happily while losing weight. With 100 stunning photographs and detailed nutritional information for every recipe, The Skinnytaste Cookbook is an incredible resource of fulfilling, joy-inducing meals that every home cook will love.
