Available again, six tales of Kingdom County, Vermont

Almost Persuaded In this Regency tale of Robert and Jane, New York Times bestselling author Mary Balogh brings together former lovers who have seen beyond their past mistakes, and are determined to be together in this life and forever. Northanger Castle Caroline's obsession with Gothic novels serves as good training for a lifetime of destroying the undead with her newfound beau in this Regency by Colleen Gleason. Blood and Prejudice In fast-paced present-day New York City, Liz Bennett joins Mr. Darcy on his hunt to cure vampirism in New York Times bestselling author Susan Krinard's version of the classic story. Little to Hex Her Emma, a witch with a wizard boyfriend, runs a paranormal dating service in modern-day Washington, D.C., in this story from Janet Mullany.

Psychologically incisive and impeccably crafted, Agamemnon's Daughter tells the crushing story of passion shattered by a heartless regime. Once again, Kadare denounces with rare force the machinery of oppression, drawing us back to the ancient roots of Western civilization and tyranny. This collection also showcases two masterful stories: "The Blinding Order," a parable about the uses of terror in the Ottoman Empire, and "The Great Wall," a chilling duet between a Chinese official and a soldier in the invading army of the great conqueror, Tamerlane.

A re-issue of a forgotten favourite, FIREWEED is an evocative and unflinching story of wartime survival for younger readers Bill is a fifteen-year-old runaway evacuee, and he's finding that surviving on the streets of London is pretty easy, thank you very much. He's fed by a local cafe owner, he earns some cash as a barrow-boy in Covent Garden, and sleeping in the Underground air-raid shelters is cosy - if a bit smelly. Things get more complicated for Bill with the arrival of Julie. She's a runaway too, and although she's a bit posh, she's just as determined as Bill to stay free of interfering parents and 'the social'. But although it's fun for a while to duck Jerry missiles and camp out in bombed-out houses, the reality of living through the Blitz quickly begins to set in. Winter is coming, and Bill and Julie will discover that playing at being grown-ups can be a very dangerous game.... First published in 1969, and winner of the 1970's Book World Festival Award, FIREWEED evokes a time of tin Spitfires, powdered eggs, warm woollen mittens and reading by firelight. Perfect for readers young and old, this book is a beautifully written classic, full of adventure, heroism and British wartime courage.

A study in emotional dislocation and renewal--Professor Godfrey St. Peter, a man in his 50's, has achieved what would seem to be remarkable success. When called on to move to a more comfortable home, something in him rebels.

'Full of terrific historical detail... has that sparky confidence and unputdownable quality.' Alison Pearson, judge for the Lucy Cavendish Fiction Prize 'This book is well written and the narrator, in whichever guise, is engaging... a very readable, interesting... exciting book, which I am happy to recommend' Historical Novel Society Orphaned young, H is sent to live with her doting aunt in London. H's life is a happy one until her lecherous cousin robs her of her innocence, and the plague takes away the city and the people she loves. H is cast out - friendless, pregnant and destitute - into the rapidly emptying streets of London under quarantine. Forced to fend for herself, she is determined to gain back the life she lost. H will face a villain out for revenge, find love in the most unexpected places, and overcome a betrayal that she never could have foreseen. Weathering it all, can H charm, or scheme, her way to the life of freedom and independence that she longs for? 'This is a wonderfully put together story that I easily lost myself in, having well and truly caught my attention from the first few pages.' Laura Patricia Rose 'If you enjoyed Tipping the Velvet by Sarah Waters and are looking for a new fast-paced historical fiction novel to read, this one may be for you.' @this.literary.queendom 'A gripping and genuinely interesting story to read' @amandallwyd 'The story-telling is very evocative... great original storyline' @books\_and\_lovely\_things 'H is a feisty, determined and captivating heroine... a must read' @otterly\_bookish 'A remarkably poignant and timely read' @e.f.paterson 'I have truly enjoyed this treat of a read, captivating and beautifully written with wonderful characters.' @BooksandEmma 'I couldn't

After an ancient leaden cross and skeletal remains are found in Glastonbury Abbey, the monks believe they are the remains of the legendary King Arthur and Queen Guinevere, but after the bones disappear at the hands of the mysterious Guardians, the monks are determined to retrieve the bones and return them to their final resting place.

Among the brilliant array of Anne Perry's New York Times bestselling novels, her Christmas stories occupy perhaps the warmest spot in the hearts of readers. Each one is a masterpiece of suspense; each is alight with the true holiday spirit. In *A Christmas Homecoming*, a familiar face from the Charlotte and Thomas Pitt novels—Charlotte's mother, Caroline—travels with her young husband, Joshua Fielding, and his theatrical troupe to Whitby, the Yorkshire fishing village where Dracula the vampire first touched English soil in the sensational novel named after him. Joshua has arranged to produce a stage adaptation of Dracula by the daughter of Whitby millionaire Charles Netheridge during the Christmas holiday, but after the disastrous first read-through of her amateurish script, only the fact that the company is depending on Netheridge's financial backing for their spring tour keeps them at work. As tempers flare and wind and snow swirl around Netheridge's lonely hilltop mansion, a black-cloaked stranger emerges from the storm—an eerily opportune arrival, for this enigmatic figure, one Anton Ballin, turns out to be a theatrical genius. At the same time, a brooding evil makes itself felt. Instead of the theatrical triumph that Netheridge desired for his daughter, there is murder—shocking and terrifying. Anne Perry's ninth Christmas novel keeps us poised on a razor's edge of suspense, hypnotized by a story in which the heartwarming power of goodness is challenged by the seductive power of inner darkness. In the end, *A Christmas Homecoming* lifts the spirit and rejoices the heart.

Forced together, can past and present enemies become future lovers? A lowly kitchen boy, looked down upon and despised by all, sweet-natured Georgie's a modern day Cinderella. Roland's an award-winning chef. Arrogant, frosty, and a silver fox in the making, he's also Georgie's boss. The only thing the two have in common is a mutual loathing - and a mutual attraction neither will admit to. Cornered into taking a car journey together, they're soon lost in a sudden, violent blizzard. Their only hope of shelter is to follow a series of signs leading to an isolated hotel... a hotel with a mysterious proprietor, no other guests, but only one vacant room with one very big bed. As the snowstorm rages, will the warmth of Christmas Spirit melt the ice between them?
